

Te Kawanu Cluster Triathlon 2013

Dear Parents/Caregivers

Your child has expressed an interest in representing Kairanga School as an **individual** triathlete at our cluster Triathlon event on **Friday the 5th of April at Sanson School**. The triathlon format will follow common practice of swim-bike-run.

Individual distances:

Y3/4 swim 2 lengths, bike 1 lap of large field, run 1 lap of small field

Y5 swim 3 lengths, bike 1 lap of large field, run 1 lap of small field

Y6 swim 4 lengths, bike 2 laps of large field, run 2 laps of small field

Y7 swim 5 lengths, bike 3 laps of large field, run 3 laps of small field

Y8 swim 6 lengths, bike 4 laps of large field, run 4 laps of small field

(2 lengths of the Sanson pool equates approximately to one length (25 m) of the Freyberg pool)

We would really appreciate some assistance with transportation of children and bikes. We also need parents to act as 'spotters' for the team and individual events to check that the correct number of laps are swum, biked and run. We would be leaving school at 11.30am. The individual event starts at about 12.30. There will be a prizegiving afterwards and then we will head back to school at approximately 2pm.

There will be sausages, drinks and juices for sale.

Please fill in the form below and return to me on **Wednesday March 27th**.

Thank you

Michelle Leighton

.....

☐

My child is capable of completing the above distances and has my permission to take part in the triathlon

☐

My child has all of the necessary gear in order to compete in this event. (In particular a bike and helmet in good working order)

☐

I can help with transport of children. I have a current NZ Drivers License, fully registered vehicle and W.O.F. and have _____ seat belts for _____ students. (Please indicate here if you are also able to transport your child's bike.)
Yes/No

☐

Sorry, I am unable to assist with transport on this occasion

Te Kawau Cluster Triathlon 2013

Dear Parents/Caregivers

Your child would like to represent Kairanga School as a **team** triathlete at our cluster Triathlon event on **Friday the 5th of April at Sanson School**. The triathlon format will follow common practice of swim-bike-run.

(This year we are only allowed to enter 3 teams in total in the team event section. I have selected a Yr 8 team, a Yr 6 team and a Yr 3 team to represent us in these events)

Your child has indicated that they would like to do the _____ section of the triathlon.

(If your child is the team member biking, please ensure that they have a bike and helmet in good working order. With the swimming section, two lengths of Sanson pool equates to approximately one length (25m) at Freyberg pool.)

Distances:

Y3/4 swim 2 lengths, bike 1 lap of large field, run 1 lap of small field

Y5/6 swim 6 lengths, bike 3 laps of large field, run 3 laps of small field

Y7/8 swim 10 lengths, bike 5 laps of large field, run 5 laps of small field

We would really appreciate some assistance with transportation of children and bikes. We also need parents to act as 'spotters' for the team and individual events to check that the the correct number of laps are swum, biked and run. We would be leaving at approximately 9.50am. Team events begin at 10.45. We will return to school after prizegiving at approximately 2.00pm. There will also be sausages, drinks and juices for sale.

Please fill in the form below and return to me on **Wednesday March 27th**.

Thank you
Michelle Leighton
